

# Imagine your future.

Now ask yourself whether Congress should use your hard-earned tax money to:

Fund seven-figure bonuses for corporate executives

Reward Wall Street for bad investments

Spew climate-changing methane over sacred lands

**No, thanks.**

Support working families with training and green jobs

Protect public health and public lands

Safeguard our shared climate and invest in thriving communities

**Yes, please!**

**OPPOSE A BIG OIL BAILOUT.  
SUPPORT A GREEN STIMULUS FOR THE PEOPLE.**
